

## A DRAMA DAY WITH SUE MORGAN

This is an exciting opportunity to enjoy a confidence building, fun drama day, which is suitable for beginners and more experienced thespians! You will be working for much of the day in supportive group work. You do not need any drama experience, but you will need to be fairly mobile for moving around.

On arrival there will be tea and coffee before the first session where you will be exploring simple mime tasks, improvisation in groups and the use of props.

After lunch in Session 2, you will discuss and act out a selection of comedy scripts in groups.

Due to the nature of the event, there are only 12 places. Please sign up as soon as possible to secure your place.

*You are advised that a Covid Test may be a sensible precaution beforehand as we are working indoors at close quarters.*
