

AN INVITATION TO CELEBRATE THE 16th ANNIVERSARY OF USK U3A

JOIN US FOR A SPECIAL SPEAKER, PROSECCO AND AFTERNOON TEA!

This year, Usk u3 will have been formally constituted for sixteen years. This is quite an achievement for any organisation. So, we plan to celebrate in style! We will be celebrating the event with a special speaker and delicious afternoon tea.

Our speaker is Cath Barton, an Abergavenny author, literary critic and photographer. Cath will talk about how her own art, as well as the art of others, inspires her writing. Following Cath's talk you will be able to enjoy an individual afternoon tea contained in your own picnic box.

We hope you will join us and enjoy a very special afternoon. It will be a opportunity to get together with other members to celebrate the themes of the u3a – learn, laugh, live. We shall be sending out booking forms soon. Don't forget to book your place early.
