MEMBERS' MEETING

AN INVITATION TO A QUIZ WITH QUESTIONS SET BY REG DARGE

Would you like to participate in a fun afternoon answering questions with fellow members on a variety of subjects? The subjects will include nature, science, literature, music, entertainment, sport and leisure and food and drink. The questions are not overly difficult and there are some multiple choice answers as well as a picture quiz.

While teams should have a maximum of six members there is no minimum number. We expect to make up some teams on the day so if you come alone everyone can join in the fun. We have a range of prizes to be given on the day.

Please bring along some pens and paper. The quizmaster will provide the answer sheets.

WHEN: Friday, 23th October 2026 at 2pm

WHERE:

Memorial Hall, Usk

Coffee/tea and biscuits provided
